NOTIFICATION.

ALLAHABAD, THE 26TH JUNE, 1843.

The following extract of a letter from His Excellency the Governor of Sind, together with the report of Lt. Anderson, are published for general information.

By order of the Rt. Honorable the Governor General of India,

(Signed) J. THOMASON,
Secretary to Government of India,
with the Governor General.

Extract from a letter from His Excellency Major General Sir C. J. Napier, K. C. B., Governor of Sind, dated Hydrabad, 30th May, 1843.

"As Shere Mahomed found that he could not recruit his troops in Sind, he resolved to draw reinforcements from the mountains of Belochistan; I therefore sent Lieutenant Anderson of the 1st European Regiment, with a Steamer and 100 men, to destroy the boats collected on the right bank for the Belooches of Sukkur to cross over to Sind. This Officer has performed his duty in a brilliant manner; and he speaks highly of the way in which Master Miller of the Steamer manoeuvred his vessel. The rumour of this skirmish in Belochistan will have good effect in Sind."

Above the Luckie Pass, 27th May, 1843.

SIR,

I had the honor to inform His Ex: Sir C. Napier, K. C. B., Governor of Sind, this morning, that I had expectations of finding some 500 Belooches of Meer Shah Mahomed assembled below the Luckie pass, to give us fight on our arrival there.

When we came in shore opposite Rock A. the Belooches fired into the Steamer, and to judge

from their fire, they must have been 300 or 350 strong. The Steamer immediately returned their fire doing some execution. We then ran down to B, and landed the Sepoys of the 25th Regt. strength as per margin, who chased the

enemy out of their position N. O. P. A., and drove them up the steeps beyond.

It being useless to pursue them any further, the Sepoys returned leisurely on board, after having killed and wounded about 10 of them. During the skirmish the Steamer kept up a splendid fire of grape and round shot at the retreating Belooches, killing and wounding it is supposed 40 men.

- 1 Ensign.
- 1 Soobedar.
- 5 Havildars.
- 5 Jemadars.
- 91 Sepoys.

Mr. Lowry received a slight wound leading on his men, and 2 Sepoys were killed and 7 wounded carrying the heights.

On board the Steamer Captain Miller received a slight wound, and two European sailors and 1 Stoker were severely wounded.

I must beg to express my thanks to all parties for their activity during the affair, which lasted altogether 3 hours, from 1 to 4 p. m. of this day.

Accompanying is a list of killed and wounded for the information of His Excellency.

I have, &c.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via “Falmouth,” will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries

with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTIFICATION.

FORT WILLIAM, FOREIGN DEPARTMENT,

THE 15TH JULY, 1843.

The Right Honorable the Governor General of India in Council has directed the publication of the following two Dispatches from Major General Sir Charles Napier, K. C. B., Governor of Sindh, dated respectively the 17th and 19th ultimo, reporting the capture of Meer Shah Mahomed, and the result of the movements directed against Meer Shere Mahomed.

By order of the Governor General in Council,

(Sd.) J. THOMASON,
Secy. to Govt. of India.

From His Excellency Major General Sir CHARLES NAPIER, K. C. B.,

Governor of Sindh,

To the Right Honorable LORD ELLENBOROUGH,

Governor General.

Dated Hyderabad, 17th June, 1843.

MY LORD,

8th June. I have now the honor to forward to your Lordship the copy of the Despatch received on the 13th instant, from Lieut. Colonel Roberts, giving a detailed account of his attack upon and capture of the Ameer Shah Mahomed, which attack appears to have been conducted with a degree of skill and courage worthy of its complete success.

I have the honor to be, &c.

(Sd.) C. J. NAPIER.

Camp Sehwan, 8th June, 1843.

TO CAPTAIN GREEN,

Assistant Adjutant General S. and B, Hyderabad.

SIR,

1. I have the honor to inform you, for the information of His Excellency the Governor, that I marched at 12 o'clock A. M. this morning with the details as per margin, to

Major Blood's Battery
4 Guns—Captain Walter's
Troop—3d Regt. Lt. Ca-
valry—3 Companies 6th
Regt. N. I.—2 Companies
15th Regt. N. I.—2 Com-
panies 20th Regt. N. I.

attack Meer Shah Mahomed, who was encamped at "Peer Assee," a place under the Hills about 14 miles to the westward, with 2000 men.

2. At daylight we were still at a distance of between two and three miles, and on approaching near his position which was a large oblong enclosure of fine trees surrounded by a thick and almost impenetrable hedge, I could perceive the enemy were retreating, and at this time I requested Captain Walter to lead his troop to the left, and if possible, prevent their doing so, and turn them across our right.

3. I have the honor to enclose Captain Walter's account of his proceedings.

4. At the same time the detachment advanced steadily. On the right was Major Blood's Battery, and the right wing of the 15th Native Infantry under Major Benbow, covered by the Light Company of the 20th Regt. N. I., under Captain Baynes; and the whole supported by the Grenadier Company 20th Regt. N. I., under Captain Riely; two Companies of the 6th Regt. N. I., under Lieut. Johnston, advanced in echelon on the centre and right of the enemy's position, on gaining which one halted, and the other (the Light Company) advanced a considerable distance.

5. A party of the Grenadier Company 20th Regiment N. I. were ordered to scour the enclosure, and here I am happy to say, they discovered Meer Shah Mahomed under some very thick bushes. He at first refused to surrender, but he eventually did so to Captain Travers, 23rd Regt. Bombay Light Infantry. I beg to enclose a letter from Captain Riely on this subject.

6. The result of the expedition has been the capture of Meer Shah Mahomed, his guns and standard, and the total dispersion of his force, together with the release of some Horsemen of His Highness Meer Ali Morad, taken prisoners by the enemy on the 6th instant.

7. The loss of the enemy was great, about ninety (90) dead on the field, and we have (17) seventeen prisoners: our own loss, as you will observe by the return, has been trifling.

8. I beg to bring to the notice of His Excellency the valuable services rendered me by Major Benbow, 15th Regt. N. I., Major Blood, Artillery, Captain Riely, 20th Regt. N. I., and Lieut. Johnstone, of the 6th Regt. N. I., and I cannot sufficiently express my admiration of the gallant conduct of Captain Walter, who charged with his small but intrepid band into the midst of a large body of the enemy.

9. I have also to bring to the notice of His Excellency, the great assistance rendered me by Captain Mayer, Major of Brigade, Captain Baynes, A. Qr. Mr. Genl. (who also took command of the advance, consisting of the Light Company 20th Regt. N. I.,) and of Captain Travers, 23d Regt. Bombay Light Infantry, Assistant Commissary General, who kindly volunteered his services on my Staff.

10. I must not forget to mention the important services I have received from a "Patan," by name "Aliff Khan," well known to many Officers of the Sukkur Agency. His information principally led to the success we have met with, and when with Captain Walter he killed four of the enemy.

11. I regret extremely to have to inform you that two European Artillery men died of Coup-de-Soleil; the heat after 9 o'clock became most awful, and the whole detachment much distressed by the time we returned to this place at 1 o'clock p. m. Had we moved with Camp Equipage, &c; the operation could not have been accomplished with the secrecy necessary to ensure success.

There was no valuable property, and I burned as much as I could not remove from the spot. A few Camels I have transferred to the Commissariat Department—some Tattoos, Mules, Swords and Matchlocks will be sold this evening by public Auction.

TO CAPTAIN MAYER,

Brigade Major, F. B.

SIR,

In accordance with order received from Lieut.-Colonel Roberts, I advanced on the morning of the 8th of June with the Troop under my command for the purpose of holding in check the enemy under Meer Shah Mahomed, until the arrival of the remainder of the force—on approaching the spot towards which I had seen small bodies retreating, and perceiving larger parties dispersing to the right and left, I attacked a party of horse and foot to the number of about 250, who were drawn up in rear of two guns, which they discharged at the time of my passing. I succeeded in cutting up between 70 and 80, and their loss would have been greater but for the thick jungle which favoured their escape. I am happy in being able to report that all under me did their duty. I do myself the honor to forward Casualty Rolls of Men and Horses.

TO CAPTAIN MAYER,

Brigade Major, Sehwan.

SIR,

In compliance with yesterday's orders, I do myself the honor to state that the subdivision of the Grenadier Company, which I detached at the desire of Lieut.-Col. Roberts, Commanding, for the purpose of searching the Garden and Burial Ground occupied by Meer Shah Mahomed and his followers, fortunately discovered him concealed in some thick underwood, together with three or four servants.

On seeing the Sepoys he raised his Gun and one of his followers drew his sword, the men supposing that he intended opposition, levelled their Musquets and would have shot him, had he not called out that he was the Meer, and Captain Travers coming up at the time, he delivered up his sword to him.

I consider that the men showed great forbearance in not firing as they had been much exasperated at the conduct of a Belooch, who only a few minutes before (after the firing was over) had jumped out of a bush and severely wounded Lieut. Lancaster, the Acting Adjutant, in the arm. He was, however, immediately afterwards killed by a Sepoy named Khymla Khan, who most probably saved that Officer's life.

I beg to forward the Arms taken from the Meer and his followers, viz.

One English double barrell'd Gun.

One Matchlock, with flint lock, inlaid with gold and silver clasps.

Two Swords, one with a gilt handle.

The Meer's Sword, was delivered over to him yesterday.

To the Right Honorable Lord ELLENBOROUGH,
Governor General.

Dated Hyderabad, 19th June, 1843.

MY LORD,

The several movements made for some time past for the purpose of surrounding Meer Shere Mahomed, I had the honor to state in my former letters; I have now the gratification to communicate to your Lordship the result of those movements.

On the 13th instant the Ameer finding that Lieut. Coll. Robert's column was crossing the river on the north, and that the troops under my command were marching upon him from the south, determined to attack Capt. Jacob, whose corps cut him off from the desert, and was the weakest of the three. This resolution he put in execution on the morning of the 14th and was met by that excellent Officer, who overthrew and dispersed his Army, the Ameer fled with ten followers towards the river. I delayed this despatch in hopes of being able to inform your Lordship of his capture but I fear he has retraced his steps, and in disguise escaped to the desert.

I have the honor to enclose to your Lordship Capt. Jacob's despatch of this very brilliant affair.

The troops have all returned to their cantonments except Coll. Roberts' column, which I expect in a day or two.

I regret to say that a sudden change of the weather to extraordinary heat took place just after the troops marched from Hyderabad towards the north, in consequence of which a number of Europeans were struck down, dying in a few hours. It was not owing to the march, for those in the fortress suffered in equal proportion. The number that have fallen in this manner is as follows.

	Lt.	Sejt.	Drs.	R. & File.
In the field,	1	2	0	29
In the fort of Hyderabad,	0	3	1	14

This terrible loss fell upon us between the 13th and 17th instant. I am afraid that a great proportion of these deaths must be attributed in great measure to the rashness of the individuals themselves in drinking the deleterious spirits of this country, the effects of which spirits become deadly, when united to extreme heat.

I have just received a letter from Captain Jacob informing me that he has taken two more guns which were abandoned by Shere Mahomed on his march to attack Captain Jacob, one is a brass gun and the other an iron one.

I have the honor to be, &c.,
(Sd.) C. NAPIER, Governor.

From Captain J. JACOB,
Comdg. Scinde Irregular Horse,
Camp Shah Dad Poor,
To His Excellency Sir C. NAPIER, K. C. B.,
Governor of Scinde.

Dated Camp Shah Dad Poor, June 14th, 1843.

SIR,

I have the honor to report that I yesterday morning arrived at this place with the force under my command.

During the day I received information that Meer Shere Mahomed had marched from Hala to a Fort by name Oodeyra, some 16 or 17 miles south-east from that place. I have not as yet been able to communicate with Col. Roberts, but concluded that this movement of the Meer's to the southward was caused by the approach of the force under the Colonel from the north; and that in endeavouring to escape from it, he would inevitably fall into the hands of the troops advancing from Hyderabad: wherefore believing this place to be an excellent position for enabling me to intercept the Meer should he attempt to escape to the eastward, I determined to halt here.

At about eleven o'clock last night a Brahmin servant of Shere Mahomed's came to my Camp and informed me that the Meer was coming to attack me with his whole force amounting, he said, to 8,000 or 10,000 men.

About 3 o'clock this morning, my pickets perceived the enemy coming on in considerable force, and, after sending several parties to reconnoitre, finding that the enemy advanced very slowly, I left a Troop and Company to protect my camp, and went out with the rest of the force under my command to attack him. As I advanced, the Beloochees formed on the bank of a nullah in considerable strength, both Horse and Foot, with three Guns, which immediately opened on us. The ground in front was of the most difficult nature, being rugged in the extreme, and intersected with deep ravines. As soon as I had formed my line and our Guns commenced firing with some effect, I perceived the Beloochees moving off, and on my advancing with the Scinde Horse, they broke, dispersed, and fled in every direction, leaving their Guns and several Standards in our hands: from the nature of the country, covered as it is with jungle and sand hillocks, and intersected with canals full of water, effective pursuit was impossible. Five or six of the Beloochees were killed by our Artillery fire, and two Horses of the Scinde Irregular Horse by that of the enemy.

We have taken five prisoners, from whom, as well as from the Brahmin above mentioned, I learn that Meer Shere Mahomed has fled with ten horsemen back to the river, and I therefore (I am happy to say), have succeeded in preventing his flight to the Desert, although unsuccessful in the attempt to capture his person.

The undermentioned Sirdars were present with Shere Mahomed's army.

Meer Shere Mahomed.
Khan Mahomed.
Golam Mahomed Lagaree.
Morad Ali, (Chang).
Meer Mahomed, (Son of Meer Roostum).
Meer Mehrab, (Talpooree).
Mahomed Sudeck.
Mahomed Hussein, (Brother-in-law of Meer Nasseer Khan).

The number of Beloochees actually present was about 4000, the remainder of Shere Mahomed's army and one Gun were left at Oodeyra, or deserted him on the road.

The Meer had but four Guns in all. The three taken are of brass and well equipped. The conduct of all Officers and Men under my command has been most steady and excellent throughout, but in an action such as that of this morning, there is no room for the display of much Military prowess.

My intention is to remain at this place until I can communicate with Colonel Roberts, or until I shall receive other orders from yourself.

I have the honor to be, &c.,

**GENERAL ORDERS BY THE RIGHT
HON'BLE THE GOVERNOR GENERAL
OF INDIA IN COUNCIL.**

FORT WILLIAM, 21st July, 1843.

No. 154 of 1843.—The Right Hon'ble the Governor General of India in Council has much gratification in publishing, for general information, the following paragraphs of a Military Letter No. 9, from the Hon'ble the Court of Directors, to the Governor General of India in Council, dated 30th May 1843.

Reply to paras. 1 to 6 } Para. 1. We have
of Secret Letter from } perused with admira-
the Governor General, } tion the account given
dated 14th March, No. } by Major General Sir
18 of 1843, relative to } C. Napier of the Victo-
the Victory gained at } ry gained by the Troops
Meeanee. } under his Command at
Meeanee, near Hyderabad, on the 20th February
last, over the Army of the Ameers of Scinde.

2. This Victory won by a body of not more than 2,800 men, over a brave enemy stated to be not less than 22,000, deserves to be ranked amongst the brilliant achievements of the British Army.

3. There being, however, reason to believe that another battle has been fought, and we trust, in that case, another Victory obtained, by the Troops under Sir Charles Napier in Scinde, we have to inform you, that it is not deemed expedient to decide at present on the specific marks of honor which no doubt will be bestowed in commemoration of the bravery displayed by our gallant Army.

4. We cannot close this despatch without expressing our marked approval of the steadiness

and gallantry with which the attacks of the enemy on the Residency at Hyderabad were successfully resisted by the small body of men under the command of Captain Conway, H. M.'s 22d Regiment, acting under the instructions of the Commissioner, Major Outram, whom on this memorable occasion, General Sir Charles Napier in his despatch of the 16th February, has justly characterized as "the fearless and distinguished Major Outram."

THE 22D JULY, 1843.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 22d July 1843, is hereby promulgated for general information.

ACT No. XI. OF 1843.

An Act for regulating the service of Hereditary Officers under the Presidency of Bombay.

Whereas it has been found that the provisions of Regulation XVI. 1827 of the Bombay Code, are insufficient to secure the efficient discharge of the duties of Hereditary Officers:

I. It is hereby enacted, that Sections XVII. and XVIII. of Regulation XVI. of 1827 of the Bombay Code, be rescinded.

II. And it is hereby enacted, that all Hereditary Officers of whatever denomination, belonging to, or employed in the management of the Land Revenue, or of the Customs or Town Duties, or Excise, or other Revenue, or in the Police, or in the Civil Administration of the country, shall render the usual services of their respective Offices, as far as the same may be required by the Collector, or other Officer under whose control they may be placed by usage or the orders of Government.

III. And it is hereby enacted, that when the duties of an Hereditary Office fall in more than one Department, it shall be competent to the Governor in Council of Bombay to prescribe what Officer shall be vested with the control of such Office.

IV. And it is hereby enacted, that it shall be competent to the Collector or other Officer to whom the duties of an Hereditary Office are, as provided in Clause II., to be rendered, when the performance of those duties is claimed in rotation by different sharers, to require that the sharers in the wuttun shall nominate a fit and proper person from among their number, who shall hold the Office as the Representative of the family either during life, or for such term, not being less in each instance than (five) 5 years, as the Collector or Controlling Officer shall determine with the sanction of the Governor in Council, and in the event of the sharers not so nominating, when required one or more of their number within a reasonable period to be fixed by the Collector or Controlling Officer, the Collector or Controlling Officer shall himself exercise the power of selection, subject to the approval of the Governor in Council.

V. And it is hereby enacted, that it shall be competent to the Collector or Controlling Officer to refuse to confirm the nomination by the sharers of any individual, if he shall have reason to think, that from age or personal disqualification the duties of the Office will not be properly performed by him, or if from character and past conduct the person nominated be considered unworthy of trust, provided that the grounds of such refusal shall be recorded in writing and that an appeal from such decision shall lie to the Governor in Council, whose order thereon shall be final.

VI. And it is hereby enacted, that the Collector or Controlling Officer shall have power to punish Officiating Hereditary Officers for misconduct or neglect of duty by suspension from office, pay, and emolument, or by fine not exceeding the computed official emolument of their offices for three months, and to levy the said fine in the mode authorized for realizing Revenue demands.

VII. And it is hereby further enacted, that the Collector or Controlling Officer, in cases of misconduct or incompetency on the part of an Officiating Hereditary Officer, shall have power to dismiss such Officer from his employment, but no such dismissal shall take place, except on an investigation recorded in writing, which shall be submitted for the approval and sanction of the Governor in Council.

VIII. And it is hereby enacted, that, in conducting the investigation prescribed in the preceding Section, the Collector or Controlling Officer shall have the same authority as a Magistrate in compelling the attendance of parties and witnesses, and the production of papers, and in taking evidence.

IX. And it is hereby further enacted, that whenever any such Hereditary Officer shall be convicted of fraud or malversation, or of any criminal offence in the conduct of the duties of the Office by any Sessions Court, it shall be lawful for the said Governor in Council, to direct the confiscation of the wuttun, either wholly or in part, and after such confiscation the duties of the office shall be performed by such person as the Governor in Council shall appoint, and the surplus proceeds of the wuttun shall be disposed of for the benefit of the parties previously entitled thereto or otherwise in such manner as the said Governor in Council may direct.

X. And it is hereby enacted, that no female shall perform in person the duties of any Hereditary Office.

XI. And it is hereby enacted, that if any Hereditary Officer is incapable of personally discharging the duties of his or her office by reason of sex, minority, mental or bodily infirmity, or manifest incapacity, it shall be lawful for the Collector or Controlling Officer to call upon him or her, or his or her Guardians to appoint a Deputy, subject to his approval, and on the party or parties failing to appoint a fit Deputy within a reasonable period, the appointment shall be made by the said Collector or Controlling Officer.

XII. And it is hereby enacted, that all Deputies appointed to perform the duties of Hereditary Offices under this Act, and under Section IV. Regulation V. 1833, of the Bombay Code, shall be subject to the same rules and penalties as the Principals, and that the wuttun of the office shall be liable to confiscation upon the conviction by any Sessions Court of any Deputy appointed by the Hereditary Officer in the same manner as it would be under the IXth Section of this Act upon the conviction of the Hereditary Officer himself.

XIII. And it is hereby enacted, that nothing contained in this Act shall be construed to debar the right of any sharer to participate in the rents and profits of any Hereditary Office so held and filled as above provided, after provision shall have been made therefrom for the fit maintenance of the Officiating Hereditary Officer, for which purpose it shall be competent to the Collector or Controlling Officer to fix and assign a specific por-

tion of such rents and emoluments, leaving the remainder only, subject to the claims of the other sharers—and further that the portion of the rents and emoluments so fixed and assigned shall be the official remuneration of the Officiating Hereditary Officer, and shall not be liable to Civil process of any Court of Law.

XIV. And it is hereby enacted, that whenever it may be necessary, as herein before provided, that the Collector or Controlling Officer shall appoint a Deputy to conduct the duties of an Hereditary Office, it shall be lawful for him to assign to such Deputy a fit remuneration from the rents and profits of the said Office.

XV. And it is hereby enacted, that the terms "Hereditary District or Village Office or Officers" or "Hereditary District or Village Revenue Office or Officers" used in Regulation XVI. 1827 and Regulation V. 1833, of the Bombay Code, shall be held to apply to all descriptions of Hereditary Offices and Officers.

ACT No. — OF 1843.

An Act respecting the expense of preparing Copies of Proceedings in Appeals.

Whereas it is just and necessary that the expense of preparing copies in the English Language of the proceedings in Cases appealed to the Queen in Council, as now required by Section 5, Regulation XVI. 1797, and Section 34, Regulation V. 1803, should be borne by the parties prosecuting those Appeals.

I. It is hereby enacted, that in all cases of Appeals to the Queen in Council from judgments delivered by the Courts of Sudder Dewanny Adawlut at Fort William and at Allahabad, the expense of preparing two copies of all the proceedings held, and judgments or orders given in the case appealed, including the whole of the evidence and documents and of translating into the English Language such of the aforesaid proceedings, as may have been originally drawn out in the country languages shall be defrayed by the parties prosecuting the Appeal.

II. It is hereby further enacted, that the Courts of Sudder Dewanny Adawlut are empowered and required to cause the deposit by the appellant of such a sum as shall be sufficient to cover the expense of making the two aforesaid copies, and when such deposit shall have been made, and not till then, to declare the Appeal admitted, and to give notice thereof to the Appellant and Respondent respectively.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 22d day of October next.

II. And it is enacted, that from the First day of May last past, every deed of sale or gift of lands, houses or other real property, a memorial of which has been or shall be duly registered according to law, shall, provided its authenticity be established to the satisfaction of the Court, invalidate any other deed of sale or gift for the same property which may not have been registered, and whether such second or other deed shall have been executed prior or subsequent to the registered deed— and that from the said day every deed of mortgage on land, houses and other real property as well as certificates of the discharge of such incumbrances, a memorial of which has been or shall be duly registered according to law, and provided its authenticity be established to the satisfaction of the Court, shall be satisfied in preference to any other mortgage on the same property which may not have been registered, and whether such second or other mortgage shall have been executed prior or subsequent to the registered mortgage, any knowledge or notice of any such unregistered deed or certificate alleged to be had by any party to such registered deed or certificate notwithstanding. Provided always that nothing in this Section contained shall be construed to extend to any deed or certificate made before the said First day of May last past.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

HOME DEPARTMENT,
LEGISLATIVE,

THE 22D JULY, 1843.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 22d July 1843, is hereby promulgated for general information.

ACT No. XI. OF 1843.

An Act for regulating the service of Hereditary Officers under the Presidency of Bombay.

Whereas it has been found that the provisions of Regulation XVI. 1827 of the Bombay Code, are insufficient to secure the efficient discharge of the duties of Hereditary Officers:

I. It is hereby enacted, that Sections XVII. and XVIII. of Regulation XVI. of 1827 of the Bombay Code, be rescinded.

II. And it is hereby enacted, that all Hereditary Officers of whatever denomination, belonging to, or employed in the management of the Land Revenue, or of the Customs or Town Duties, or Excise, or other Revenue, or in the Police, or in the Civil Administration of the country, shall render the usual services of their respective Offices, as far as the same may be required by the Collector, or other Officer under whose control they may be placed by usage or the orders of Government.

III. And it is hereby enacted, that when the duties of an Hereditary Office fall in more than one Department, it shall be competent to the Governor in Council of Bombay to prescribe what Officer shall be vested with the control of such Office.

IV. And it is hereby enacted, that it shall be competent to the Collector or other Officer to whom the duties of an Hereditary Office are, as provided in Clause II., to be rendered, when the performance of those duties is claimed in rotation by different sharers, to require that the sharers in the wuttun shall nominate a fit and proper person from among their number, who shall hold the Office as the Representative of the family either during life, or for such term, not being less in each instance than (five) 5 years, as the Collector or Controlling Officer shall determine with the sanction of the Governor in Council, and in the event of the sharers not so nominating, when required one or more of their number within a reasonable period to be fixed by the Collector or Controlling Officer, the Collector or Controlling Officer shall himself exercise the power of selection, subject to the approval of the Governor in Council.

V. And it is hereby enacted, that it shall be competent to the Collector or Controlling Officer to refuse to confirm the nomination by the sharers of any individual, if he shall have reason to think, that from age or personal disqualification the duties of the Office will not be properly performed by him, or if from character and past conduct the person nominated be considered unworthy of trust, provided that the grounds of such refusal shall be recorded in writing and that an appeal from such decision shall lie to the Governor in Council, whose order thereon shall be final.

VI. And it is hereby enacted, that the Collector or Controlling Officer shall have power to punish Officiating Hereditary Officers for misconduct or neglect of duty by suspension from office, pay, and emolument, or by fine not exceeding the computed official emolument of their offices for three months, and to levy the said fine in the mode authorized for realizing Revenue demands.

VII. And it is hereby further enacted, that the Collector or Controlling Officer, in cases of misconduct or incompetency on the part of an Officiating Hereditary Officer, shall have power to dismiss such Officer from his employment, but no such dismissal shall take place, except on an investigation recorded in writing, which shall be submitted for the approval and sanction of the Governor in Council.

VIII. And it is hereby enacted, that, in conducting the investigation prescribed in the preceding Section, the Collector or Controlling Officer shall have the same authority as a Magistrate in compelling the attendance of parties and witnesses, and the production of papers, and in taking evidence.

IX. And it is hereby further enacted, that whenever any such Hereditary Officer shall be convicted of fraud or malversation, or of any criminal offence in the conduct of the duties of the Office by any Sessions Court, it shall be lawful for the said Governor in Council, to direct the confiscation of the wuttun, either wholly or in part, and after such confiscation the duties of the office shall be performed by such person as the Governor in Council shall appoint, and the surplus proceeds of the wuttun shall be disposed of for the benefit of the parties previously entitled thereto or otherwise in such manner as the said Governor in Council may direct.

X. And it is hereby enacted, that no female shall perform in person the duties of any Hereditary Office.

XI. And it is hereby enacted, that if any Hereditary Officer is incapable of personally discharging the duties of his or her office by reason of sex, minority, mental or bodily infirmity, or manifest incapacity, it shall be lawful for the Collector or Controlling Officer to call upon him or her, or his or her Guardians to appoint a Deputy subject to his approval, and on the party or parties failing to appoint a fit Deputy within a reasonable period, the appointment shall be made by the said Collector or Controlling Officer.

XII. And it is hereby enacted, that all Deputies appointed to perform the duties of Hereditary Offices under this Act, and under Section IV. Regulation V. 1833, of the Bombay Code, shall be subject to the same rules and penalties as the Principals, and that the wuttun of the office shall be liable to confiscation upon the conviction by any Sessions Court of any Deputy appointed by the Hereditary Officer in the same manner as it would be under the IXth Section of this Act upon the conviction of the Hereditary Officer himself.

XIII. And it is hereby enacted, that nothing contained in this Act shall be construed to debar the right of any sharer to participate in the rents and profits of any Hereditary Office so held and filled as above provided, after provision shall have been made therefrom for the fit maintenance of the Officiating Hereditary Officer, for which purpose it shall be competent to the Collector or Controlling Officer to fix and assign a specific por-

tion of such rents and emoluments, leaving the remainder only, subject to the claims of the other sharers—and further that the portion of the rents and emoluments so fixed and assigned shall be the official remuneration of the Officiating Hereditary Officer, and shall not be liable to Civil process of any Court of Law.

XIV. And it is hereby enacted, that whenever it may be necessary, as herein before provided, that the Collector or Controlling Officer shall appoint a Deputy to conduct the duties of an Hereditary Office, it shall be lawful for him to assign to such Deputy a fit remuneration from the rents and profits of the said Office.

XV. And it is hereby enacted, that the terms "Hereditary District or Village Office or Officers" or "Hereditary District or Village Revenue Office or Officers" used in Regulation XVI. 1827 and Regulation V. 1833, of the Bombay Code, shall be held to apply to all descriptions of Hereditary Offices and Officers.

The following Draft of a proposed Act was read in Council for the first time on the 22d July 1843.

ACT No. — OF 1843.

An Act respecting the expense of preparing Copies of Proceedings in Appeals.

Whereas it is just and necessary that the expense of preparing copies in the English Language of the proceedings in Cases appealed to the Queen in Council, as now required by Section 5, Regulation XVI. 1797, and Section 34, Regulation V. 1803, should be borne by the parties prosecuting those Appeals.

I. It is hereby enacted, that in all cases of Appeals to the Queen in Council from judgments delivered by the Courts of Sudder Dewanny Adawlut at Fort William and at Allahabad, the expense of preparing two copies of all the proceedings held, and judgments or orders given in the case appealed, including the whole of the evidence and documents and of translating into the English Language such of the aforesaid proceedings, as may have been originally drawn out in the country languages shall be defrayed by the parties prosecuting the Appeal.

II. It is hereby further enacted, that the Courts of Sudder Dewanny Adawlut are empowered and required to cause the deposit by the appellant of such a sum as shall be sufficient to cover the expense of making the two aforesaid copies, and when such deposit shall have been made, and not till then, to declare the Appeal admitted, and to give notice thereof to the Appellant and Respondent respectively.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 22d day of October next.

An Act for amending the Law respecting the Registration of certain Deeds.

I. Whereas doubts have arisen as to the true meaning and construction of Act No. I of 1843.

It is hereby enacted, that the said Act is repealed, except in so far as it repeals all provisions contained in any Regulation or Regulations of the Bengal, Madras, or Bombay Codes, touching the knowledge or notice had by parties to registered conveyances and other instruments affecting titles to land and other interests therein of the existence of unregistered conveyances or other instruments affecting such titles or other interests therein.

II. And it is enacted, that from the First day of May last past, every deed of sale or gift of lands, houses or other real property, a memorial of which has been or shall be duly registered according to law, shall, provided its authenticity be established to the satisfaction of the Court, invalidate any other deed of sale or gift for the same property which may not have been registered, and whether such second or other deed shall have been executed prior or subsequent to the registered deed—and that from the said day every deed of mortgage on land, houses and other real property as well as certificates of the discharge of such incumbrances, a memorial of which has been or shall be duly registered according to law, and provided its authenticity be established to the satisfaction of the Court, shall be satisfied in preference to any other mortgage on the same property which may not have been registered, and whether such second or other mortgage shall have been executed prior or subsequent to the registered mortgage, any knowledge or notice of any such unregistered deed or certificate alleged to be had by any party to such registered deed or certificate notwithstanding. Provided always that nothing in this Section contained shall be construed to extend to any deed or certificate made before the said First day of May last past.

III. ACT No. XI. OF 1843.

An Act for regulating the service of Hereditary Officers under the Presidency of Bombay.

Preamble. Whereas it has been found that the provisions of Regulation XVI. 1827 of the Bombay Code, are insufficient to secure the efficient discharge of the duties of Hereditary Officers:

I. It is hereby enacted, that Sections XVII. and XVIII. of Regulation XVI. of 1827 of the Bombay Code, be rescinded.

II. And it is hereby enacted, that all Hereditary Officers of whatever denomination, belonging to, or employed in the management of the Land Revenue, or of the Customs or Town Duties, or Excise, or other Revenue, or in the Police, or in the Civil Administration of the country, shall render the usual services of their respective Offices, as far as the same may be required by the Collector, or other Officer under whose control they may be placed by usage or the orders of Government.

III. And it is hereby enacted, that when the duties of an Hereditary Office fall in more than one Department, it shall be competent to the Governor in Council of Bombay to prescribe what Officer shall be vested with the control of such Office.

IV. And it is hereby enacted, that it shall be competent to the Collector or other Officer to whom the duties of an Hereditary Office are, as provided in Clause II., to be rendered, when the performance of those duties is claimed in rotation by different sharers, to require that the sharers in the wuttun shall nominate a fit and proper person from among their number, who shall hold the Office as the Representative of the family either during life, or for such term, not being less in each instance than (five) 5 years, as the Collector or Controlling Officer shall determine with the sanction of the Governor in Council, and in the event of the sharers not so nominating, when required one or more of their number within a reasonable period to be fixed by the Collector or Controlling Officer, the Collector or Controlling Officer shall himself exercise the power of selection, subject to the approval of the Governor in Council.

V. And it is hereby enacted, that it shall be competent to the Collector or Controlling Officer to refuse to confirm the nomination by the sharers of any individual, if he shall have reason to think, that from age or personal disqualification the duties of the Office will not be properly performed by him, or if from character and past conduct the person nominated be considered unworthy of trust, provided that the grounds of such refusal

shall be recorded in writing and that an appeal from such decision shall lie to the Governor in Council, whose order thereon shall be final.

VI. And it is hereby enacted, that the Collector or Controlling Officer shall have power to punish Officiating Hereditary Officers for misconduct or neglect of duty by suspension from office, pay, and emolument, or by fine not exceeding the computed official emolument of their offices for three months, and to levy the said fine in the mode authorized for realizing Revenue demands.

VII. And it is hereby further enacted, that the Collector or Controlling Officer, in cases of misconduct or incompetency on the part of an Officiating Hereditary Officer, shall have power to dismiss such Officer from his employment, but no such dismissal shall take place, except on an investigation recorded in writing, which shall be submitted for the approval and sanction of the Governor in Council.

VIII. And it is hereby enacted, that, in conducting the investigation prescribed in the preceding Section, the Collector or Controlling Officer shall have the same authority as a Magistrate in compelling the attendance of parties and witnesses, and the production of papers, and in taking evidence.

IX. And it is hereby further enacted, that, whenever any such Hereditary Officer shall be convicted of fraud or malversation, or of any criminal offence in the conduct of the duties of the Office by any Sessions Court, it shall be lawful for the said Governor in Council, to direct the confiscation of the wuttun, either wholly or in part, and after such confiscation the duties of the office shall be performed by such person as the Governor in Council shall appoint, and the surplus proceeds of the wuttun shall be disposed of for the benefit of the parties previously entitled thereto or otherwise in such manner as the said Governor in Council may direct.

X. And it is hereby enacted, that no female shall perform in person the duties of any Hereditary Office.

XI. And it is hereby enacted, that if any Hereditary Officer is incapable of personally discharging the duties of his or her office by reason of sex, minority, mental or bodily infirmity, or manifest incapacity, it shall be lawful for the Collector or Controlling Officer to call upon him or her, or his or her Guardians to appoint a Deputy, subject to his approval, and on the party or parties failing to appoint a fit Deputy within a reasonable period, the appointment shall be made by the said Collector or Controlling Officer.

XII. And it is hereby enacted, that all Deputies appointed to perform the duties of Hereditary Offices under this Act, and under Section IV. Regulation V. 1833, of the Bombay Code, shall be subject to the same rules and penalties as the Principals, and that the wuttun of the office shall be liable to confiscation upon the conviction by any Sessions Court of any Deputy appointed by the Hereditary Officer in the same manner as it would be under the IXth Section of this Act upon the conviction of the Hereditary Officer himself.

XIII. And it is hereby enacted, that nothing contained in this Act shall be construed to debar the right of any sharer to participate in the rents and profits of any Hereditary Office so held and filled as above provided, after provision shall have been made therefor for the fit maintenance of

the Officiating Hereditary Officer, for which purpose it shall be competent to the Collector or Controlling Officer to fix and assign a specific portion of such rents and emoluments, leaving the remainder only, subject to the claims of the other sharers—and further that the portion of the rents and emoluments so fixed and assigned shall be the official remuneration of the Officiating Hereditary Officer, and shall not be liable to Civil process of any Court of Law.

XIV. And it is hereby enacted, that whenever it may be necessary, as herein before provided, that the Collector or Controlling Officer shall appoint a Deputy to conduct the duties of an Hereditary Office, it shall be lawful for him to assign to such Deputy a fit remuneration from the rents and profits of the said Office.

XV. And it is hereby enacted, that the terms "Hereditary District or Village Office or Officers" or "Hereditary District or Village Revenue Office or Officers" used in Regulation XVI. 1827 and Regulation V. 1833, of the Bombay Code, shall be held to apply to all descriptions of Hereditary Offices and Officers.

LEGISLATIVE,

THE 29TH JULY, 1843.

The following Act, passed by the Right Hon'ble the Governor General of India in Council, on the 29th July 1843, is hereby promulgated for general information.

Act No. XIII. of 1843.

An Act for regulating inquiries into the truth of matters implicating the public conduct of Officers not removeable without the sanction of Government within the Presidency of Fort St. George in Madras.

Whereas it is expedient to amend the provisions contained in the Regulations concerning inquiries into the truth of matters implicating the public conduct of European Officers, and to extend the same to all Officers not removeable without the sanction of Government:

I. It is hereby enacted, that Regulations III. of 1809, II. of 1810, VI. of 1818, and VIII. of 1822, of the Madras Code, be repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Fort St. George in Madras, whenever either the Courts of Sudr and Foujdaree Adawlut, or the Board of Revenue, shall be of opinion that substantial grounds exist for making a regular and formal inquiry into the truth of any imputation of official misconduct affecting any Officer subject to their control respectively, and not removeable without the sanction of Government, they shall submit the documents on which their opinion may be founded, together with a statement of the charges reduced to distinct articles which they may propose to be made the subject of a regular investigation, to the Governor in Council of Fort St. George, for his consideration and orders.

III. And it is hereby enacted, that any charge or information, of the description aforesaid, may be preferred direct to the Courts of Sudr and Foujdaree Adawlut, or to the Board of Revenue, respectively, who shall examine the complainant or informant circumstantially upon oath, or upon solemn affirmation if he be entitled to be exempted from taking an oath, and require the party accused to explain or reply to any matters they may deem to need explanation and make such further inquiries, upon oath or affirmation upon the subject as they may judge proper.

IV. And it is hereby enacted, that any charge or information may also be made before any Judge, Magistrate, or Collector, for any acts of the description beforementioned committed within their jurisdiction, respectively, who shall examine the complainant or informant circumstantially upon oath, or upon solemn affirmation if he be entitled to be exempted from taking an oath, and shall transmit the deposition so taken to the Sudr and Foujdaree Adawlut, or to the Board of Revenue, according as the person accused may be subject to those Authorities respectively.

V. And it is hereby provided, that it shall not be lawful for the Courts of Sudr and Foujdaree Adawlut, or the said Board, respectively, to act upon any such charge or information, unless the person preferring the same shall make oath, or solemn affirmation in case he be entitled to be exempted from taking an oath, that he believes the facts on which the charge is grounded to be true.

VI. And it is hereby provided, that it shall be lawful for the Courts of Sudr and Foujdaree Adawlut, and for the said Board, respectively, to dismiss any such charge or information, where they do not see any substantial reason for entering further into the inquiry. Provided, that on every occasion when they shall dismiss any such charge or information, they shall submit the same, together with all the circumstances of the case, in like manner as is provided in Section II. of this Act.

VII. And it is hereby provided, that the said Courts of Sudr and Foujdaree Adawlut, and the said Board, respectively, may, at any stage of the inquiry into such matters as aforesaid, require the person preferring such charge or information as aforesaid to furnish such security as may be deemed reasonable that he will attend and prosecute the charge to a conclusion, and in the event of security being so required all proceedings shall be stayed until the same shall be furnished accordingly.

VIII. And it is hereby provided, nevertheless, that if any matter of the nature aforesaid, affecting such Officer as is mentioned in the second Section of this Act, shall appear in the course of any proceedings, whether preliminary or otherwise, which shall come before or be reported to either of the Courts of Sudr and Foujdaree Adawlut, or the said Board, respectively, those authorities shall act upon such matter, or institute such inquiry upon oath or affirmation as aforesaid, into the same as they shall deem proper for the purpose of such reference as aforesaid to the Governor in Council of Fort St. George, although no charge or information be preferred as aforesaid: and in such cases it shall not be necessary before acting upon or instituting any inquiry concerning any matter so appearing in the course of proceedings, to require any oath or affirmation in regard to the truth of such matter.

IX. And it is hereby enacted, that if the Governor in Council of Port St. George, upon such reference as is mentioned in the second Section of this Act, shall concur with the Authority by which it may be submitted, or if such Governor in Council shall, from information of the description aforesaid that may be laid before him in respect of any Officer not directly subject to the Courts or Board above named, deem it necessary to institute proceedings against any such Officer, he shall appoint a Commissioner or Commissioners for making a regular and formal inquiry into the truth of the matters referred.

X. And it is hereby enacted, that on the appointment of every such Commission, the said Governor in Council shall direct whether the Commission shall be placed under the control of any of the Authorities aforesaid, or shall act immediately under the authority of Government, and all Commissioners appointed as aforesaid shall be guided by the instructions which they may receive in this behalf from the Government.

XI. And it is hereby enacted, that the Commissioner or Commissioners appointed as aforesaid, before entering on the discharge of his or their duties, shall take the following oath :

I, A. B., Commissioner for the purpose of (here state the object of the Commission) do solemnly swear that I will faithfully and impartially perform the duty committed to me without fear, favor, or bias, to the best of my ability, knowledge, and judgment ; so help me God.

XII. And it is hereby enacted, that whenever a charge shall be referred for investigation to a Special Commission, the said Governor in Council will determine whether the conduct of the prosecution shall be left to the accuser, or be undertaken on the part of Government. In the latter case, the said Governor in Council will nominate such person or persons as may be deemed proper, to conduct the prosecution on behalf of Government.

XIII. And it is hereby enacted, that it shall be the duty of Commissioners appointed under this Act, after receiving the plaint or charge, and the documents from which the same may have been prepared, to call upon the person accused for his reply to the accusation ; to examine upon oath, or under a solemn declaration, the witnesses named by the accuser or the accused ; to receive any further written documents offered in support of, or against the accusation ; and to call for and take any further requisite evidence which may be indicated by the witnesses adduced or documents exhibited by either party, and may appear to be necessary for the ascertainment of facts, or the discovery of the truth or falsehood of the charges or of any part thereof.

XIV. And it is hereby enacted, that for the discharge of the duties specified in the preceding Section, or any other functions which may be delegated to a Commission under this Act such Commission shall be vested with the same powers as are exercised by the Zillah Courts, except that all process to cause the attendance of witnesses, or other compulsory process, shall be served through the Zillah Judge in whose jurisdiction the Commission may be held, and executed by the Zillah Judge in whose jurisdiction the witness or other person upon whom the process is to be served may reside.

XV. And it is hereby enacted, that on the close of the evidence for the prosecution and

defence, the accused shall be at liberty to record any observation upon the result of the inquiry which he may think necessary for the vindication of his conduct and character. The accuser, or the person appointed to conduct the prosecution on the part of Government, shall also be at liberty to record any remarks on the subject of the prosecution which he may deem requisite.

XVI. And it is hereby enacted, that as soon after the conclusion of the proceedings as circumstances shall permit, the Commissioner or Commissioners shall, when the Commission shall be instructed to act immediately under the authority of Government, submit directly to the Government to which he or they may be subordinate, and in other cases to the Controlling Court or Board, the proceedings under the Commission, accompanied by translations of papers not in the English language, together with a summary of the pleadings and evidence, and his or their opinion of the merits of the case.

XVII. And it is hereby provided, that it shall be lawful for the said Governor in Council, or the Controlling Court or Board, upon consideration of the report of any such Commission as aforesaid, to direct the Commissioner or Commissioners to take further evidence, or to give further explanation of his or their opinion or opinions connected with the case investigated, and the Commissioner or Commissioners are authorized and required to take such further evidence, and to give such further explanation.

XVIII. And it is hereby enacted, that the Sudr and Foujdaree Adawlut, or the Board to which any report of a Commissioner or Commissioners may be submitted as aforesaid after due consideration of the same, and after obtaining such further evidence or explanations as they may require, shall submit the whole of the proceedings and documents received by them to the Government, together with their opinion whether any and what charges have been established against the accused.

XIX. And it is hereby provided, that whenever a Special Commission may be appointed under the Provisions of this Act, the said Governor in Council will determine, on a view of the nature and circumstances of the case, whether the accused Officer shall be suspended from the discharge of the functions of his office ; and if so, whether he shall be permitted to draw the established allowances of his office, or otherwise.

XX. And it is hereby provided, that the Governor in Council on consideration of the report and proceedings submitted to him in pursuance of Sections XVI. and XVIII. of this Act, will pass such decision on the case as may appear to him most consonant to the principles of justice and consistent with the powers possessed by Government in matters of this description ; and in the event of his deeming it necessary that the party accused should be brought to trial by a public prosecution before a competent Court of Law, will issue the necessary instructions for that purpose to the Law Officers of Government. But whatever proceedings may be held, or whatever decision or order may be passed by Government, individuals deeming themselves aggrieved by any Public Officer, will be at all times at liberty to seek redress according to the ordinary forms prescribed by law.

Considered the application of Mrs. A. Cumming, Widow of the late Mr. Alexander Cumming, a Subscriber, who died on the 30th January 1840, leaving three Children. All the papers relating to this case were laid upon the table.

Resolved,—That the proceedings of the Managers in her case be approved, and Mrs. Cumming and her three Children be admitted to the benefits of the Fund from the date of Mr. C.'s demise.

The Secretary reports to the Meeting the proceedings of the Managers in respect to a change in the plan of realizing the Subscriptions paid towards the Fund, and of investing its Monthly Balances. At the General Meeting of Subscribers held on 31st July 1841, it was reported that the Managers had in the preceding year proposed to the Government the substitution, instead of the remittances by Drafts of all Subscriptions paid in the interior, of a general system of credit from Monthly Audit Statements to be prepared by the Civil Auditors of all *deductions of Subscription* made by them from the Salary Bills of Subscribers. But this suggestion was referred to the Hon'ble Court, who do not appear to have yet decided upon it.—Accordingly, the only other better system of Account than the old system now pre- senting itself is that which the Managers have adopted, in conjunction with the Accountant General and the Accountant North Western Provinces, from the 1st of May last. The Subscriptions paid into Col- lectors' and other Treasuries in the interior are no longer required to be

* For the N. W. Provinces the Accountant at Agra will furnish the requisite Statements; for the Lower Provinces State- ments will be prepared from the Accounts received in the Reve- nue and other Departments. This plan will greatly simplify the process of Account, and save some trouble to the Sub-Treasurer, to Collectors, and to other Public Officers; it is expected also to benefit the Fund in a more regular investment of its balances, which may thence yield a better return of In- terest.

Resolved,—That the Managers' Proceedings relating to the Accounts be approved and confirmed.

A vote of thanks was passed to the Chairman.

W. H. BELL, Chairman.

THE 4TH AUGUST, 1843.

NOTIFICATION.

Notice is hereby given, that the Government of India has recommended to the Home Authorities, the expediency of discontinuing as soon as possible the present system of making advances in India upon the Security of Goods to be hypothecated to the East India Company

The Governor General in Council is of opinion, that the full supplies required to meet the wants of the Home Treasury can be raised in England by the Hon'ble the Court of Directors by the Sale of Bills on India, without any necessity for the intervention of the Government in the Indian Markets, and he is desirous of relieving the trade of India from the irregular intrusions of a competition that is governed principally by the Political Exigencies of the State.

The Governor General in Council is aware, that private interests may be injuriously affected by the sudden discontinuance of any system that has been long in operation, and he issues this timely notification of his views upon a subject of the gravest importance to the Mercantile community connected with the trade of India, in order that they may not be unprepared for a change of measures, which the Government of India is urging strongly on the attention of the Home Authorities, and will be ready to carry out at the earliest convenient opportunity.

By order of the Right Hon'ble the Governor General in Council,

J. A. DORIN,

Secy. to the Govt. of India.

ACT No. XIII. OF 1843.

An Act for regulating inquiries into the truth of matters implicating the public conduct of Officers not removeable without the sanction of Government within the Presidency of Fort St. George in Madras.

quiries into the truth of matters implicating the public conduct of European Officers, and to extend the same to all Officers not removeable without the sanction of Government:

I. It is hereby enacted, that Regulations III. of 1809, II. of 1810, VI. of 1818, and VIII. of 1822, of the Madras Code, be repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Fort St. George in Madras, whenever either the Courts of Sudr and Foujdaree Adawlut, or the Board of Revenue, shall be of opinion that substantial grounds exist for making a regular and formal inquiry into the truth of any imputation of official misconduct affecting any Officer subject to their control respectively, and not removeable without the sanction of Government, they shall submit the documents on which their opinion may be founded, together with a statement of the charges reduced to distinct articles which they may propose to be made the subject of a regular investigation, to the Governor in Council of Fort St. George, for his consideration and orders.

III. And it is hereby enacted, that any charge or information, of the description aforesaid, may be preferred direct to the Courts of Sudr and Foujdaree Adawlut, or to the Board of Revenue, respectively, who shall examine the complainant or informant circumstantially upon oath, or upon solemn affirmation if he be entitled to be exempted from taking an oath, and require the party accused to explain or reply to any matters they may deem to need explanation and make such further inquiries, upon oath or affirmation upon the subject as they may judge proper.

IV. And it is hereby enacted, that any charge or information may also be made before any Judge, Magistrate, or Collector, for any acts of the description beforementioned committed within their jurisdiction, respectively, who shall examine the complainant or informant circumstantially upon oath, or upon solemn affirmation if he be entitled to be exempted from taking an oath, and shall transmit the deposition so taken to the Sudr and Foujdaree Adawlut, or to the Board of Revenue, according as the person accused may be subject to those Authorities respectively.

V. And it is hereby provided, that it shall not be lawful for the Courts of Sudr and Foujdaree Adawlut, or the said Board, respectively, to act upon any such charge or information, unless the person preferring the same shall make oath, or solemn affirmation in case he be entitled to be exempted from taking an oath, that he believes the facts on which the charge is grounded to be true.

VI. And it is hereby provided, that it shall be lawful for the Courts of Sudr and Foujdaree Adawlut, and for the said Board, respectively, to dismiss any such charge or information, where they do not see any substantial reason for entering further into the inquiry. Provided, that on every occasion when they shall dismiss any such charge or information, they shall submit the same, together with all the circumstances of the case, in like manner as is provided in Section II. of this Act.

VII. And it is hereby provided, that the said Courts of Sudr and Foujdaree Adawlut, and the said Board, respectively, may, at any stage of the inquiry into such matters as aforesaid, require the person preferring such charge or information as

VIII. IX. And it is hereby enacted, that if the Governor in Council of Fort St. George, upon such reference as is mentioned in the second Section of this Act, shall concur with the Authority by which it may be submitted, or if such Governor in Council shall, from information of the description aforesaid that may be laid before him in respect of any Officer not directly subject to the Courts or Board above named, deem it necessary to institute proceedings against any such Officer, he shall appoint a Commissioner or Commissioners for making a regular and formal inquiry into the truth of the matters referred.

In the latter case, the said Governor in Council will nominate such person or persons as may be deemed proper, to conduct the prosecution on behalf of Government.

XIII. And it is hereby enacted, that it shall be the duty of Commissioners appointed under this Act, after receiving the plaint or charge, and the documents from which the same may have been prepared, to call upon the person accused for his reply to the accusation : to examine

XIV. And it is hereby enacted, that for the discharge of the duties specified in the preceding Section, or any other functions which may be delegated to a Commission under this Act such Commission shall be vested with the same powers as are exercised by the Zillah Courts, except that all process to cause the attendance of witnesses, or other compulsory process, shall be served through the Zillah Judge in whose jurisdiction the Commission may be held, and executed by the Zillah Judge in whose jurisdiction the witness or other person upon whom the process is to be served may reside.

XVIII. And it is hereby enacted, that the Sudr and Foujdaree Adawlut, or the Board to which any report of a Commissioner or Commissioners may be submitted as aforesaid after due consideration of the same, and after obtaining such further evidence or explanations as they may require, shall submit the whole of the proceedings and documents received by them to the Government, together with their opinion whether any and what charges have been established against the accused.

XIX. And it is hereby provided, that whenever a Special Commission may be appointed under the Provisions of this Act, the said Governor in Council will determine, on a view of the

nature and circumstances of the case, whether the accused Officer shall be suspended from the discharge of the functions of his office; and if so, whether he shall be permitted to draw the established allowances of his office, or otherwise.

XX. And it is hereby provided, that the Governor in Council on consideration of the report and proceedings submitted to him in pursuance of Sections XVI. and XVIII. of this Act, will pass such decision on the case as may appear to him most consonant to the principles of justice and consistent with the powers possessed by Government in matters of this description; and in the event of his deeming it necessary that the party accused should be brought to trial by a public prosecution before a competent Court of Law, will issue the necessary instructions for that purpose to the Law Officers of Government. But whatever proceedings may be held, or whatever decision or order may be passed by Government, individuals deeming themselves aggrieved by any Public Officer, will be at all times at liberty to seek redress according to the ordinary forms prescribed by law.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 5TH AUGUST, 1843.

The following Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Legislative Department, is published for general information:

Read again the Draft Act for regulating the levy of Customs Duties, and the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

Resolution. By this Act will be abolished the Duties on 121 Articles, including Piece Goods, and all Embroidered Goods, Iron, Silk, Shawls, Indigo, Tobacco, Oil and Oil Seeds. Of the Duties to be abolished, those on 48 Articles produced, on an average of the three years ending in 1841-42, an aggregate receipt of only 1,500 Rupees.

The additional duty to be imposed by the Act on the Import of Salt into the North Western Provinces, will only raise the duty generally to two-thirds of the amount of that already levied in Bengal, and to the Eastward of Allahabad to the level of the Bengal duty.

The additional powers given to the Customs Department and the increased strength which will be given to the Customs Establishment will, it is to be hoped, prevent any increase of Smuggling on the North West Frontier, and it may be expected that the result of a measure which gives almost entire freedom to internal Trade, will be a considerable increase of the Revenue.

Resolved accordingly, that the Act in question be passed.

ACT No. XIV. OF 1843.

An Act for regulating the levy of Customs Duties and the manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

I. It is hereby enacted, that Regulation XVI. 1829, Act II. 1838, and so much of Regulation

IX. 1810, and of any other Regulation and Act, as affects the Collection of Customs Duties or the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal, shall be repealed from the 1st day of September, 1843.

II. And it is further enacted, that from and after the day abovementioned, the following and no other Duties of Customs shall be leviable upon the Import and Export of Articles into and from the North Western Provinces of the Presidency of Bengal, that is to say:

On the Import of Salt, of all descriptions, two Rupees per maund, and a further duty of one Rupee per maund on the transmission thereof to the Eastward of Allahabad.

On the Import of Cotton, uncleaned, four Annas per maund, cleaned eight Annas per maund.

On the Export of Misree, Kund, Chenee and all clayed and refined Sugar, eight Annas per maund, Goor, Râb, Sheerah, and all unclayed and unrefined Saccharine produce, three Annas per maund.

The Import of Sugar into any part of the said Provinces, is, and shall remain, prohibited.

III. And it is further enacted, that it shall be lawful for the Government of the said Provinces from time to time to make and issue such orders as may be deemed expedient for the collection of the aforesaid Duties in such manner, and upon such line or lines, and at such places on or near such line or lines as may seem fit, and all such orders shall have the same force as if they formed a part of this Act from the date notified in the Gazette, wherein they shall be published.

IV. And it is further enacted, that from and after the First day of September 1843, the manufacture of alimentary Salt throughout the North Western Provinces of the Presidency of Bengal, without the express sanction of the Government, is prohibited; and that any person engaging in the manufacture of such Salt, or preparing or causing to be prepared works for the manufacture of such Salt, without such sanction, and all Zemindars or other proprietors of land, or their Agents, conniving at such illicit manufacture, shall on conviction by the Magistrate, within the limits of whose District the offence may have occurred, be punished by a fine not exceeding 500 Rupees, and on non-payment of such fine, by imprisonment not exceeding six months with or without hard labor, and that all works at which such manufacture shall have been conducted, or which are designed for such manufacture shall be destroyed, and any Salt which may be manufactured or stored thereat, shall be seized and confiscated.

V. And it is further enacted, that it shall be lawful for the Collectors of Customs and the Collectors of Land Revenue within their jurisdictions, to destroy all works for the manufacture of Salt, and to seize the Salt stored thereat, and to apprehend the persons concerned in the manufacture thereof, and make them over for trial to the Magistrate within the limits of whose District the offence may have occurred.

VI. It is further enacted, that all Sugar imported into the said Provinces, and all Articles imported or exported without payment of the duties imposed by this Act, or in contravention of the orders which may be made and issued under the provisions thereof, and all Boats, Carriages and Conveyances, and all animals used in transporting the same, shall be liable to be seized and confiscated in the manner hereinafter mentioned.

VII. And it is further enacted, that all persons evading or attempting to evade the payment of the duties imposed by this Act, and all persons aiding or abetting such attempts or evasions, or in any manner acting in contravention of this Act, or of any order made and issued under the provisions thereof, and all Zemindars and other Proprietors of land, or their Agents, who shall wilfully connive at such attempts or evasions or aid such acts, shall on conviction by the Magistrate within the limits of whose District the offence may have occurred, be punished by a fine not exceeding 500 Rupees, and on non-payment thereof by imprisonment not exceeding six months with or without hard labor.

VIII. And it is further enacted, that it shall be lawful for all Officers of the Customs Department to search any carriages and conveyances, and any packages upon reasonable grounds of suspicion that such carriages, conveyances or packages, contain any articles made subject to duty, or prohibited to be imported by this Act, and to detain all such articles as may be liable to confiscation under the provisions thereof.

IX. And it is hereby enacted, that whenever any articles or goods shall be seized or detained under the provisions of this Act the Collector or Deputy Collector of Land Revenue or Customs, within whose jurisdiction such seizure or detention shall occur, shall, with all practicable expedition, report the case for the determination of the Commissioner of Revenue, and it shall be lawful for such Commissioner to declare such articles or goods to be confiscated, or to impose such lesser penalty in lieu thereof as to him may seem fit.

X. And it is hereby enacted, that it shall be lawful for all Officers in the Customs Department to apprehend any person upon reasonable grounds of suspicion that such person is liable to punishment under this Act, and to make him over for trial with all practicable expedition to the Magistrate within whose jurisdiction the offence may occur.

XI. Provided always, that any Officer of the Customs Department who shall without reasonable grounds of suspicion search any carriage or conveyance or any package, shall upon conviction thereof before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding 250 Rupees, which fine shall be paid over to the party aggrieved, and on non-payment of such fine, with imprisonment not exceeding three months; and provided also, that any Officer of the Customs Department who shall under color of this Act apprehend any person without reasonable grounds of suspicion that such person is liable to punishment under this Act, shall upon conviction before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding 500 Rupees, which fine shall be paid over to the party aggrieved, and on non-payment of such fine, with imprisonment not exceeding six months.

XII. And it is hereby enacted, that all Magistrates, or persons exercising the powers of Magistrate, shall be competent to receive and determine all charges against persons thus made over to them for trial on account of offences against this Act, and that all sentences passed in pursuance of this Act, shall be open to appeal under such Rules as may from time to time be laid down for the cognizance of appeals in ordinary cases.

XIII. And it is hereby enacted, that all Officers of Police, and all Officers of the Government engaged in the Collection of the Land Revenue, are empowered and required to aid and assist the Officers of the Customs Department in the execution of this Act.

XIV. And it is further enacted, that nothing in this Act contained shall apply or be deemed to apply to the Saugor and Nerbudda Territories, or to the District of Ajmere.

Offg. Secy. to the Govt. of India.

ACT No. — OF 1843.

An Act for shortening the periods of Imprisonment within the Territories subject to the Government of the East India Company.

I. It is hereby enacted, that from and after the every offender who shall be undergoing sentence of imprisonment for any fixed period within the said Territories, shall be taken to have undergone the whole of his sentence when he shall have undergone three-fourths of so much of the period of his sentence as shall remain to be undergone on the said day.

II. And it is hereby enacted, that from and after the said day all Courts and all persons having authority to sentence offenders to imprisonment shall, in sentencing any offender to imprisonment for any fixed period within the said Territories take into consideration the increased severity of the punishment, and shall not sentence such offender to imprisonment for any period longer than three-fourths of the period to which they would have sentenced such offender if this Act had not been made.

ACT No. XIII. of 1843.

An Act for regulating inquiries into the truth of matters implicating the public conduct of Officers not removeable without the sanction of Government within the Presidency of Fort St. George in Madras.

Whereas it is expedient to amend the provisions contained in the Regulations concerning inquiries into the truth of matters implicating the public conduct of European Officers, and to extend the same to all Officers not removeable without the sanction of Government:

II. And it is hereby enacted, that in the Territories subject to the Presidency of Fort St. George in Madras, whenever either the Courts of Sudr and Foudaree Adawlut, or the Board of Revenue, shall be of opinion that substantial grounds exist for making a regular and formal inquiry into the truth of any imputation of official misconduct affecting any Officer subject to their control respectively, and not removeable without the sanction of Government, they shall submit the documents on which their opinion may be founded,

together with a statement of the charges reduced to distinct articles which they may propose to be made the subject of a regular investigation, to the Governor in Council of Fort St. George, for his consideration and orders.

III. And it is hereby enacted, that any charge or information, of the description aforesaid, may be preferred direct to the Courts of Sudr and Foudaree Adawlut, or to the Board of Revenue, respectively, who shall examine the complainant or informant circumstantially upon oath, or upon solemn affirmation if he be entitled to be exempted from taking an oath, and require the party accused to explain or reply to any matters they may deem to need explanation and make such further inquiries, upon oath or affirmation upon the subject as they may judge proper.

IV. And it is hereby enacted, that any charge or information may also be made before any Judge, Magistrate, or Collector, for any acts of the description beforementioned committed within their jurisdiction, respectively, who shall examine the complainant or informant circumstantially upon oath, or upon solemn affirmation if he be entitled to be exempted from taking an oath, and shall transmit the deposition so taken to the Sudr and Foudaree Adawlut, or to the Board of Revenue, according as the person accused may be subject to those Authorities respectively.

V. Provided, that on every occasion when they shall dismiss any such charge or information, they shall submit the same, together with all the circumstances of the case, in like manner as is provided in Section II. of this Act.

VII. And it is hereby provided, that the said Courts of Sudr and Foudaree Adawlut, and the said Board, respectively, may, at any stage of the inquiry into such matters as aforesaid, require the person preferring such charge or information as aforesaid to furnish such security as may be deemed reasonable that he will attend and prosecute the charge to a conclusion, and in the event of security being so required all proceedings shall be stayed until the same shall be furnished accordingly.

VIII. such cases it shall not be necessary before acting upon or instituting any inquiry concerning any matter so appearing in the course of proceedings, to require any oath or affirmation in regard to the truth of such matter.

IX. And it is hereby enacted, that if the Governor in Council of Fort St. George, upon such reference as is mentioned in the second Section of this Act, shall concur with the Authority by which it may be submitted, or if such Governor in Council shall, from information of the description aforesaid that may be laid before him in respect of any Officer not directly subject to the Courts or Board above named, deem it necessary to institute proceedings against any such Officer, he shall appoint a Commissioner or Commissioners for making a regular and formal inquiry into the truth of the matters referred.

XIV. And it is hereby enacted, that for the discharge of the duties specified in the preceding Section, or any other functions which may be delegated to a Commission under this Act such Commission shall be vested with the same powers as are exercised by the Zillah Courts, except that all process to cause the attendance of witnesses, or other compulsory process, shall be served through the Zillah Judge in whose jurisdiction the Commission may be held, and executed by

the Zillah Judge in whose jurisdiction the witness or other person upon whom the process is to be served may reside.

And it is hereby provided, that the Governor in Council on consideration of the report and proceedings submitted to him in pursuance of Sections XVI. and XVIII. of this Act, will pass such decision on the case as may appear to him most consonant to the principles of justice and consistent with the powers possessed by Government in matters of this description ; and in the event of his deeming it necessary that the party accused should be brought to trial by a public prosecution before a competent Court of Law, will issue the necessary instructions for that purpose to the Law Officers of Government. But whatever proceedings may be held, or whatever decision or order may be passed by Government, in any case in which the accused may be aggrieved by any Public

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 5TH AUGUST, 1843.

The following Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Legislative Department, is published for general information:

Read again the Draft Act for regulating the levy of Customs Duties, and the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

Resolution. By this Act will be abolished the Duties on 121 Articles, including Piece Goods, and all Embroidered Goods, Iron, Silk, Shawls, Indigo, Tobacco, Oil and Oil Seeds. Of the Duties to be abolished, those on 48 Articles produced, on an average of the three years ending in 1841-42, an aggregate receipt of only 1,500 Rupees.

The additional duty to be imposed by the Act on the Import of Salt into the North Western Provinces, will only raise the duty generally to two-thirds of the amount of that already levied in Bengal, and to the Eastward of Allahabad to the level of the Bengal duty.

The additional powers given to the Customs Department and the increased strength which will be given to the Customs Establishment will, it is to be hoped, prevent any increase of Smuggling on the North West Frontier, and it may be expected that the result of a measure which gives almost entire freedom to internal Trade, will be a considerable increase of the Revenue.

Resolved accordingly, that the Act in question be passed.

ACT No. XIV. OF 1843.

An Act for regulating the levy of Customs Duties and the manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

I. It is hereby enacted, that Regulation XVI. 1829, Act II. 1838, and so much of Regulation IX. 1810, and of any other Regulation and Act, as affects the Collection of Customs Duties or the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal, shall be repealed from the 1st day of September, 1843.

II. And it is further enacted, that from and after the day abovementioned, the following and no other Duties of Customs shall be leviable upon the Import and Export of Articles into and from the North Western Provinces of the Presidency of Bengal, that is to say:

On the Import of Salt, of all descriptions, two Rupees per maund, and a further duty of one Rupee per maund on the transmission thereof to the Eastward of Allahabad.

On the Import of Cotton, uncleaned, four Annas per maund, cleaned eight Annas per maund.

On the Export of Misree, Kund, Chenee and all clayed and refined Sugar, eight Annas per maund, Goor, Râb, Sheerah, and all unclayed and unrefined Saccharine produce, three Annas per maund.

The Import of Sugar into any part of the said Provinces, is, and shall remain, prohibited.

III. And it is further enacted, that it shall be lawful for the Government of the said Provinces from time to time to make and issue such orders as may be deemed expedient for the collection of the aforesaid Duties in such manner, and upon such line or lines, and at such places on or near such line or lines as may seem fit, and all such orders shall have the same force as if they formed a part of this Act from the date notified in the Gazette, wherein they shall be published.

IV. And it is further enacted, that from and after the First day of September 1843, the manufacture of alimentary Salt throughout the North Western Provinces of the Presidency of Bengal, without the express sanction of the Government, is prohibited; and that any person engaging in the manufacture of such Salt, or preparing or causing to be prepared works for the manufacture of such Salt, without such sanction, and all Zemindars or other proprietors of land, or their Agents, conniving at such illicit manufacture, shall on conviction by the Magistrate, within the limits of whose District the offence may have occurred, be punished by a fine not exceeding 500 Rupees, and on non-payment of such fine, by imprisonment not exceeding six months with or without hard labor, and that all works at which such manufacture shall have been conducted, or which are designed for such manufacture shall be destroyed, and any Salt which may be manufactured or stored thereat, shall be seized and confiscated.

V. And it is further enacted, that it shall be lawful for the Collectors of Customs and the Collectors of Land Revenue within their jurisdictions, to destroy all works for the manufacture of Salt, and to seize the Salt stored thereat, and to apprehend the persons concerned in the manufacture thereof, and make them over for trial to the Magistrate within the limits of whose District the offence may have occurred.

VI. It is further enacted, that all Sugar imported into the said Provinces, and all Articles imported or exported without payment of the duties imposed by this Act, or in contravention of the orders which may be made and issued under the provisions thereof, and all Boats, Carriages and Conveyances, and all animals used in transporting the same, shall be liable to be seized and confiscated in the manner hereinafter mentioned.

VII. And it is further enacted, that all persons evading or attempting to evade the payment of the duties imposed by this Act, and all persons aiding or abetting such attempts or evasions, or in any manner acting in contravention of this Act, or of any order made and issued under the provisions thereof, and all Zemindars and other Proprietors of land, or their Agents, who shall wilfully connive at such attempts or evasions or aid such acts, shall on conviction by the Magistrate within the limits of whose District the offence may have occurred, be punished by a fine not exceeding 500 Rupees, and on non-payment thereof by imprisonment not exceeding six months with or without hard labor.

VIII. And it is further enacted, that it shall be lawful for all Officers of the Customs Department to search any carriages and conveyances, and any packages upon reasonable grounds of suspicion that such carriages, conveyances or packages, contain any articles made subject to duty, or prohibited to be imported by this Act, and to detain all such articles as may be liable to confiscation under the provisions thereof.

IX. And it is hereby enacted, that whenever any articles or goods shall be seized or detained under the provisions of this Act the Collector or Deputy Collector of Land Revenue or Customs, within whose jurisdiction such seizure or detention shall occur, shall, with all practicable expedition, report the case for the determination of the Commissioner of Revenue, and it shall be lawful for such Commissioner to declare such articles or goods to be confiscated, or to impose such lesser penalty in lieu thereof as to him may seem fit.

X. And it is hereby enacted, that it shall be lawful for all Officers in the Customs Department to apprehend any person upon reasonable grounds of suspicion that such person is liable to punishment under this Act, and to make him over for trial with all practicable expedition to the Magistrate within whose jurisdiction the offence may occur.

XI. Provided always, that any Officer of the Customs Department who shall without reasonable grounds of suspicion search any carriage or conveyance or any package, shall upon conviction thereof before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding 250 Rupees, which fine shall be paid over to the party aggrieved, and on non-payment of such fine, with imprisonment not exceeding three months; and provided also, that any Officer of the Customs Department who shall under color of this Act apprehend any person without reasonable grounds of suspicion that such person is liable to punishment under this Act, shall upon conviction before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding 500 Rupees, which fine shall be paid over to the party aggrieved, and on non-payment of such fine, with imprisonment not exceeding six months.

XII. And it is hereby enacted, that all Magistrates, or persons exercising the powers of Magistrate, shall be competent to receive and determine all charges against persons thus made over to them for trial on account of offences against this Act, and that all sentences passed in pursuance of this Act, shall be open to appeal under such Rules as may from time to time be laid down for the cognizance of appeals in ordinary cases.

XIII. And it is hereby enacted, that all Officers of Police, and all Officers of the Government engaged in the Collection of the Land Revenue, are empowered and required to aid and assist the Officers of the Customs Department in the execution of this Act.

XIV. And it is further enacted, that nothing in this Act contained shall apply or be deemed to apply to the Saugar and Nerbudda Territories, or to the District of Ajmere.

**FORT WILLIAM,
HOME DEPARTMENT,**

LEGISLATIVE,

THE 5TH AUGUST, 1843.

The following Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Legislative Department, is published for general information:

Read again the Draft Act for regulating the levy of Customs Duties, and the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

Resolution. By this Act will be abolished the Duties on 121 Articles, including Piece Goods, and all Embroidered Goods, Iron, Silk, Shawls, Indigo, Tobacco, Oil and Oil Seeds. Of the Duties to be abolished, those on 14 Articles produced, on an average of the three years ending in 1841-42, an aggregate receipt of only 1,000 Rupees.

The additional duty to be imposed by the Act on the Import of Salt into the North Western Provinces, will only raise the duty generally to two-thirds of the amount of that already levied in Bengal, and to the Eastward of Allahabad to the level of the Bengal duty.

The additional powers given to the Customs Department and the increased strength which will be given to the Customs Establishment will, it is to be hoped, prevent any increase of Smuggling on the North West Frontier, and it may be expected that the result of a measure which gives almost entire freedom to internal Trade, will be a considerable increase of the Revenue.

Resolved accordingly, that the Act in question be passed.

ACT No. XIV. of 1843.

An Act for regulating the levy of Customs Duties and the manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

I. It is hereby enacted, that Regulation XVI. 1829, Act II. 1838, and so much of Regulation IX. 1810, and of any other Regulation and Act, as affects the Collection of Customs Duties or the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal, shall be repealed from the 1st day of September, 1843.

II. And it is further enacted, that from and after the day abovementioned, the following and no other Duties of Customs shall be leviable upon the Import and Export of Articles into and from the North Western Provinces of the Presidency of Bengal, that is to say :

On the Import of Salt, of all descriptions, two Rupees per maund, and a further duty of one Rupee per maund on the transmission thereof to the Eastward of Allahabad.

On the Import of Cotton, uncleaned, four Annas per maund, cleaned eight Annas per maund.

On the Export of Misree, Kund, Chenec and all clayed and refined Sugar, eight Annas per maund, Goor, Râb, Sheerah, and all unclayed and unrefined Saccharine produce, three Annas per maund.

The Import of Sugar into any part of the said Provinces, is, and shall remain, prohibited.

III. And it is further enacted, that it shall be lawful for the Government of the said Provinces from time to time to make and issue such orders as may be deemed expedient for the collection of the aforesaid Duties in such manner, and upon such line or lines, and at such places on or near such line or lines as may seem fit, and all such orders shall have the same force as if they formed a part of this Act from the date notified in the Gazette, wherein they shall be published.

IV. And it is further enacted, that from and after the First day of September 1843, the manufacture of alimentary Salt throughout the North Western Provinces of the Presidency of Bengal, without the express sanction of the Government, is prohibited ; and that any person engaging in the manufacture of such Salt, or preparing or causing to be prepared works for the manufacture of such Salt, without such sanction, and all Zemindars or other proprietors of land, or their Agents, conniving at such illicit manufacture, shall on conviction by the Magistrate, within the limits of whose District the offence may have occurred, be punished by a fine not exceeding 500 Rupees, and on non-payment of such fine, by imprisonment not exceeding six months with or without hard labor, and that all works at which such manufacture shall have been conducted, or which are designed for such manufacture shall be destroyed, and any Salt which may be manufactured or stored thereat, shall be seized and confiscated.

V. And it is further enacted, that it shall be lawful for the Collectors of Customs and the Collectors of Land Revenue within their jurisdictions, to destroy all works for the manufacture of Salt, and to seize the Salt stored thereat, and to apprehend the persons concerned in the manufacture thereof, and make them over for trial to the Magistrate within the limits of whose District the offence may have occurred.

VI. It is further enacted, that all Sugar imported into the said Provinces, and all Articles imported or exported without payment of the duties imposed by this Act, or in contravention of the orders which may be made and issued under the provisions thereof, and all Boats, Carriages and Conveyances, and all animals used in transporting the same, shall be liable to be seized and confiscated in the manner hereinafter mentioned.

VII. And it is further enacted, that all persons evading or attempting to evade the payment of the duties imposed by this Act, and all persons aiding or abetting such attempts or evasions, or in any manner acting in contravention of this Act, or of any order made and issued under the provisions thereof, and all Zemindars and other Proprietors of land, or their Agents, who shall wilfully connive at such attempts or evasions or aid such acts, shall on conviction by the Magistrate within the limits of whose District the offence may have occurred, be punished by a fine not exceeding 500 Rupees, and on non-payment thereof by imprisonment not exceeding six months with or without hard labor.

VIII. And it is further enacted, that it shall be lawful for all Officers of the Customs Department to search any carriages and conveyances, and any packages upon reasonable grounds of suspicion that such carriages, conveyances or packages, contain any articles made subject to duty, or prohibited to be imported by this Act, and to detain all such articles as may be liable to confiscation under the provisions thereof.

IX. And it is hereby enacted, that whenever any articles or goods shall be seized or detained under the provisions of this Act the Collector or Deputy Collector of Land Revenue or Customs, within whose jurisdiction such seizure or detention shall occur, shall, with all practicable expedition, report the case for the determination of the Commissioner of Revenue, and it shall be lawful for such Commissioner to declare such articles or goods to be confiscated, or to impose such lesser penalty in lieu thereof as to him may seem fit.

X. And it is hereby enacted, that it shall be lawful for all Officers in the Customs Department to apprehend any person upon reasonable grounds of suspicion that such person is liable to punishment under this Act, and to make him over for trial with all practicable expedition to the Magistrate within whose jurisdiction the offence may occur.

XI. Provided always, that any Officer of the Customs Department who shall without reasonable grounds of suspicion search any carriage or conveyance or any package, shall upon conviction thereof before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding 250 Rupees, which fine shall be paid over to the party aggrieved, and on non-payment of such fine, with imprisonment not exceeding three months ; and provided also, that any Officer of the Customs Department who shall under color of this Act

apprehend any person without reasonable grounds of suspicion that such person is liable to punishment under this Act, shall upon conviction before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding 500 Rupees, which fine shall be paid over to the party aggrieved, and on non-payment of such fine, with imprisonment not exceeding six months.

XII. And it is hereby enacted, that all Magistrates, or persons exercising the powers of Magistrate, shall be competent to receive and determine all charges against persons thus made over to them for trial on account of offences against this Act, and that all sentences passed in pursuance of this Act, shall be open to appeal under such Rules as may from time to time be laid down for the cognizance of appeals in ordinary cases.

XIII. And it is hereby enacted, that all Officers of Police, and all Officers of the Government engaged in the Collection of the Land Revenue, are empowered and required to aid and assist the Officers of the Customs Department in the execution of this Act.

XIV. And it is further enacted, that nothing in this Act contained shall apply or be deemed to apply to the Saugor and Nerbudda Territories, or to the District of Ajmere.
